

## Chippy Order sheet

On Friday night and all day Saturday during Wingding we will have a chippy van on site. After supper has been served to the Cubs on Friday night the van will be open for the sale of a variety of meals. If groups wish to take advantage of this facility and book a chippy meal for their Pack / Colony they will need to book in advance. Below is a list of the special rates we have arranged with the company.

Please complete the form below and return it to the Bookings Manager by 08/6/14. When you book into camp you will receive a copy of your order, to present at the chippy van. There will be limited availability over the two days to amend the order if needed. The van will provide small on-site orders as available.
